# READ, RENEW, REPEAT

**LIBRARY CLOSING FOR PARKING LOT REPAIRS**

In August, the Library's parking lot will be resurfaced. The existing asphalt will be replaced with a new 4-inch layer and the parking spaces restriped. Work is expected to begin Monday, August 5 and take one week to complete during which the parking lot will be closed to vehicle traffic. The Library will be closed beginning Monday, August 5 with plans to reopen on Monday, August 12. No library materials will be due the week of the closure. Please do not return materials until the library reopens on Monday, August 12. Weather and other factors may impact the project so keep track of what is happening on the Library's Facebook page and at [www.harvard-diggins.org](http://www.harvard-diggins.org). The parking lot replacement project is funded through the Library's capital reserves.

*Volunteers Needed*

Summer is just around the corner, which means the Library's summer reading program will be launching soon. This year's program, 'Read, Renew, Repeat' is in need of volunteers to help it run smoothly. *Teens in 7th - 12th grade and adults* are welcome to volunteer up to 4 hours per week to staff the summer reading station.

Interested? Visit the Library to pick up a volunteer registration form.

**Forms should be returned to the Library by Friday, May 24.**
